Digital communication system

With new technology constantly being released, it's important that we provide you with the most effective, yet simple to use tools available. We work in partnership with Weduc, a market leader in digital communication; providing an engagement tool designed specifically to improve the way that we communicate with you.

With Weduc we have developed our very own Monks app, once downloaded all of your comms from school will be via the app, from booking parents evening and after school clubs to reporting your child's absence, plus you will receive all of your school notices and emails from us via this communication platform.

Please download the app, to allow us to share all of the wonderful opportunities available at Monks.
