Geography Knowledge Organiser – Year 2

Amazing Africa

Key Knowledge Facts

Kenya is a country in the continent of Africa. Africa is surrounded by the Atlantic, Indian and Southern Oceans.

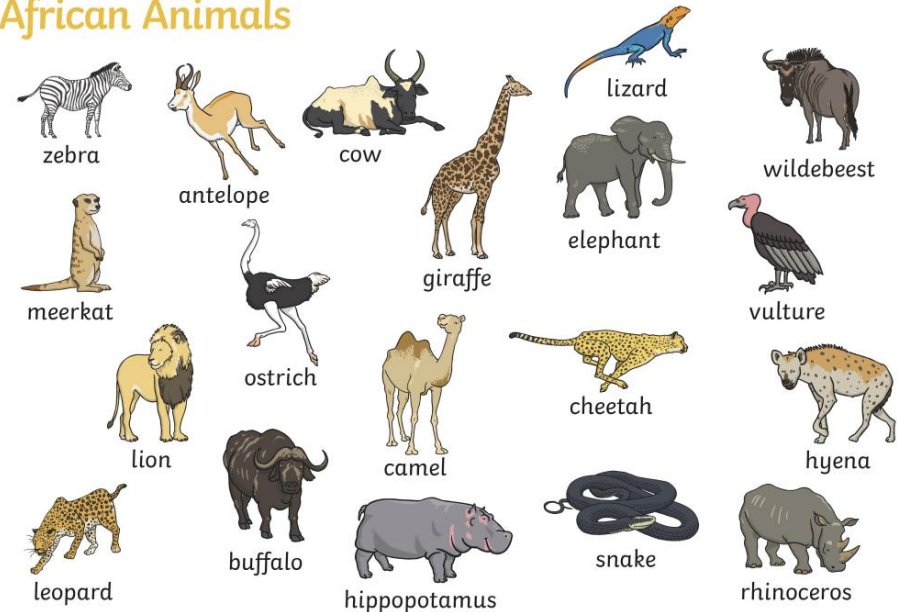

There are four points to the compass. They are North, East, South and West which can be remembered by the rhyme 'Never, Eat, Shredded, Wheat'.

The seven continents of the world are Asia, Africa, North America and South America, Antarctica, Europe and Australia. The UK is in Europe.

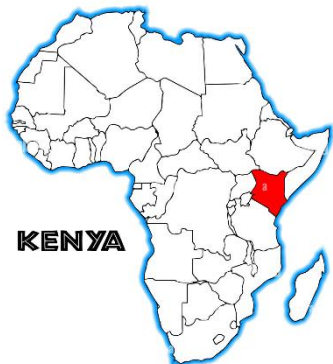

Maps give us information about places. They tell us where places are and help us to identify where things are located.

Africa has a tropical climate meaning it is very hot and dry in some months. It also has 2 rainy seasons. The mountainous areas are much cooler.
