Monks Risborough Home Learning Robins
Week Commencing 1st Feb 2021

Topic: Transport - Emergency vehicles / people who help us.

Literacy tasks:

Watch the story for this week: 'Emergency' (Mrs Hirst will read it in the Monday zoom call. Or watch Mrs Hirst reading the book on Tapestry)

What can you remember of the story? - Tell an adult the story again.

Draw a picture of the story and write about what you have drawn. You could use some of the tricky words you know.

Write your own story about an emergency - It could be a fire where a fire engine comes, or a fire plane to save the forest animals. Or it could be about some robbers who steal the children's packed lunches from school and the police are called to find them. It's your choice. Remember to use your sounds so you can try to write this yourself.

Have a go at one of the People who help us early writing activities and the people who help us sentence writing activity.

Ask mummy or daddy to make a video of you reading one of your books and send it to Mrs Hirst

Opportunities for learning in the different areas of the curriculum

Expressive Arts and Design	Mathematics	Understanding the World
Colour the colouring pages carefully Make a picture to put in your window to say thankyou to someone who helps us. Take your own fantastic fingerprints. Watch the story of Charlie the Champ - notice that the pictures are all made of fingerprints - create a finger print picture of your own.	This week we are looking at measuring length and height using cubes and other objects. Vocab for the week: taller/tallest, shorter/shorter, longer/longest. Watch Mrs Hirst's 2 video lessons then complete the measuring challenges. Most of this weeks activities are practical and do not involve worksheets. Have a go at the solving problems and talking about size activities. Try the height home learning challenges	Have a go at the Emergency services cut and stick activity Try some of the People who help us home learning activities
