**Monks Risborough Home Learning Robins**  
**Week Commencing 25th January 2021**  
**Topic: Transport - Boats / Pirates**

**Literacy tasks:**

Watch the story for this week: 'The Night Pirates'

(Watch Mrs Hirst reading the book on Tapestry)

What can you remember of the story? - Tell an adult the story again.

Draw a picture of the story and write about what you have drawn. You could use some of the tricky words you know.

Write your own Pirate adventure book or you could write a story about another kind of boat that goes on an adventure, maybe it could get bigger and bigger like the hundred decker bus!

Remember to use your sounds so you can try to write this yourself.

Practice writing the tricky words you have learned in phonics this week.

Have a go at one of the Pirate early writing activities.

Ask mummy or daddy to make a video of you reading one of your books and send it to Mrs Hirst

**Opportunities for learning in the different areas of the curriculum**

| <b>Expressive Arts and Design</b>                                                                      | <b>Mathematics</b>                                                                                                                                          | <b>Understanding the World</b>                                                                     |
|--------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|
| Make a cardboard tube Pirate                                                                           | This week we are looking at the numbers 6, 7, and 8                                                                                                         | Test which objects float and which sink - try to predict (guess) first what you think will happen. |
| Make a Pirate hat                                                                                      | Try the worksheets to practice recognising and counting with these numbers - maybe you would like to watch number blocks on CBBC.                           | Try a few of the Pirate Science experiments.                                                       |
| Try the Treasure Island pizza recipe                                                                   | Play the snakes and ladders Pirates game                                                                                                                    |                                                                                                    |
| Design a Treasure map - you could stain the paper with tea or coffee to make it look really authentic. | Cut and stick the different types of transport into size order                                                                                              |                                                                                                    |
| Colour the Pirate colouring pages carefully                                                            | Transport i-spy count to 10 - this works well if you put cubes or counters onto each picture then count the cubes afterwards. It stops you missing any out. |                                                                                                    |
| Make a treasure chest with treasure inside - hide it and give someone instructions how to find it.     |                                                                                                                                                             |                                                                                                    |

**Monks Risborough Home Learning Robins**  
**Week Commencing 25th January 2021**  
**Topic: Transport - Boats / Pirates**

|                                                                                                                                 | Mrs Hirst will send some more maths challenges during the week.                                                                                                                                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

| <b>Communication and Language</b>                                                                                               | <b>Physical Development</b>                                                                                                                                                                            | <b>Personal, Social and Emotional Development</b>                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| Act out the story 'The Night Pirates' You could dress up as a pirate and make a boat out of a box, bath, washing basket.....etc | <p>Have a go at Miss Brewers Yoga lesson on Tapestry.</p> <p>Find a rope or a piece of wood and practice walking the plank like a naughty Pirate.</p> <p>Can you find anything else to balance on?</p> | <p>Our school value this week is Respect:</p> <p>Watch this story of Noahs Ark. God asked Noah to make a big boat. Noah was a good man and respected God so he did what He said.</p> <p><a href="https://www.youtube.com/watch?v=qzYjy6lhRag">https://www.youtube.com/watch?v=qzYjy6lhRag</a></p> <p>Create a picture of Noah and the Ark with all the animals inside, don't forget the rainbow!</p> <p>Or, you could make a boat out of a box and put your toy animals in it.</p> |
