Sticky Knowledge:

Locational knowledge

- I know that London is the capital city of England.
- England is the country we live in in the UK.
- The United Kingdom is made of 4 countries, Scotland, Wales, Northern Ireland and England.

Place knowledge

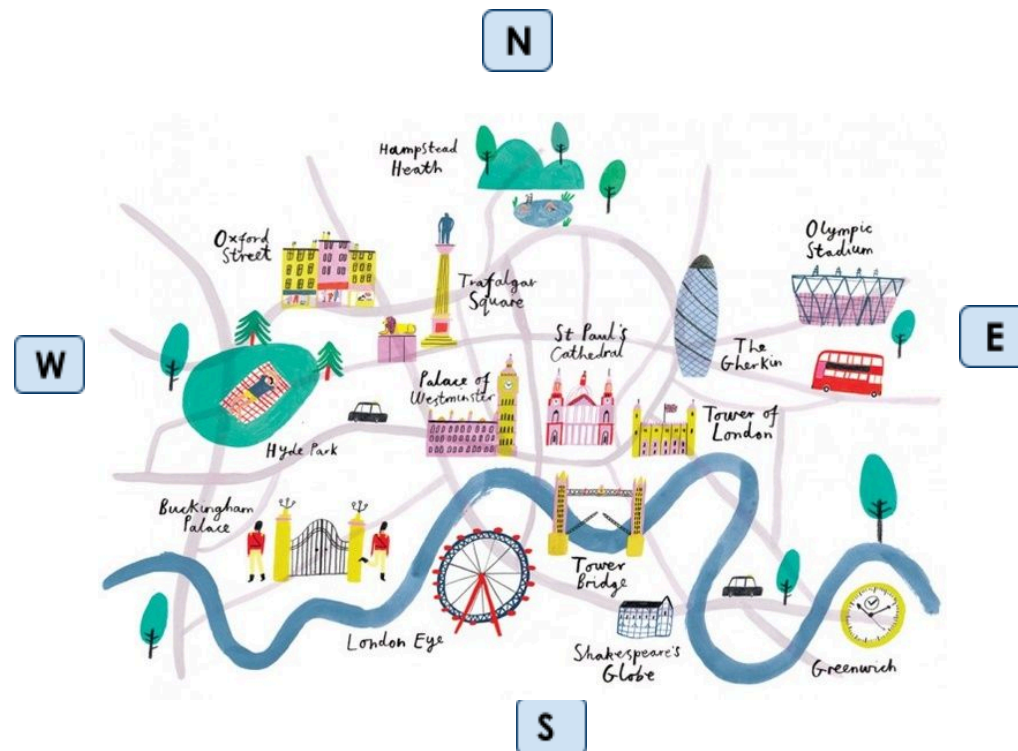

- London is a city that has many landmarks, such as, The London Eye, Buckingham Palace and The Shard.
- A city is bigger than a town and village.
- Cities have lots of human features, the countryside has many more physical features.

Human & Physical geography

- I know a physical feature in London is the River Thames.
- I know a human feature in London: Tower Bridge, Tower of London.

Geographical enquiry skills and fieldwork

- I can use simple compass directions (N,E,S,W) to describe the location of features and routes on a map.

Human features are made by humans.

Physical features have always been there.
