Literacy tasks:

Watch the story for this week: (Mrs Hirst will read parts of it in the Monday zoom call. Or watch via the you tube link on Tapestry)

- What can you remember of the story? - Tell an adult the story again.
- What can you remember of Sir Captain Tom's life?
- Why is the book called 100 steps?
- Who was he raising money for?

This week all our writing will be based on producing a book about the life of someone in your family. You could use some of the tricky words you know as well as using your phonics to help you write the sentences. (We have not yet talked about capital letters but the children should remember that we put a full stop at the end of our sentence).

Please bring your books to school on Monday 8th so we can display them all together.

(If you need any help with the book please contact Mrs Hirst via the home learning email)

Ask mummy or daddy to make a video of you reading one of your books and send it to Mrs Hirst
