

English

Descriptive writing

Describe the different members of your family (pets included!) in great detail.

Top Trumps

Make a Top Trumps style card game with your different family members.

Poetry

Write a limerick about someone in your family.

Maths

Timeline Task - birth years (see sheet)

Family Maths sheet

Add up all the ages of everyone in your family and divide by the number of people (or animals) to get the average age of the people in your house

Can you find the difference in age between the oldest and youngest family members?

Science

Can you investigate likes and dislikes among your family members? Is there a relationship between what you like and what your parents like?

Can you create a healthy meal for your family? Consider what they enjoy eating and think about making your plate balanced
See link to remind you of the food groups

(see sheet)

Home Learning Y3/4 Theme:

My Family

History

Interview an older family member to find out what life was like when they were little. Write a list of questions for them first.

(see resources)

RE

Being a member of a religion is described as being part of a big family - if you are Christian do you feel like this? If you are not affiliated to a particular religion then research how a Hindu feels about being part of the wider community of hindus? Think about the work you did this year and last on Hinduism

<https://www.youtube.com/watch?v=o-s0mN5P8jo>

PE

Challenge your family members to running races, throwing races...who is the fastest/ Who can jump the furthest? Who is the most accurate at throwing? Kicking a ball into a goal? Who has the best balance? Who has the best rhythm when you dance?

Art/DT

Draw or paint a family portrait (don't forget pets!)

Family Tree task

(see sheet)

PSHE/Mindfulness

Monks Risborough School is like a little family - draw a picture of yourself in the centre and all your family members around the edge -don't forget your teachers and friends)

Geography

Research where your family members originated from and mark them on either a map of the world or UK.
