History Task for My Family

Interview

Plan an interview with an older family member. Write questions that will give you a good idea of what life was like when they were young.

Example Questions:

What sort of toys did you play with?

Did you watch TV?

Did you play all the sports that we play?

How did you get to school?

Did you get much homework?

Did you get the cane at school? (!)

Did you have assemblies at school?

What did you do at the weekend?

Were you allowed to go out without your parents/carers?

Try to think of many more questions to ask. If you are feeling clever, perhaps you could ask a family member to video the interview and send it to us! We would love to see your work.
