

English

Using the Castles, Knights and Dragon's puppets templates, make up a story and then perform a puppet show for your family.

You could write the story in your book first to help you remember it.

Read all about Castles in the Castle photo power point – Can you label the picture of the Castle correctly?

Read the facts about Queen Elizabeth II and complete one of the reading comprehension tasks.

Write an invitation inviting people to your Royal tea party

Art/DT

Can you arrange a plate of food to look like a crown?

Make some of the crafts on the Crafty King and Queen ideas sheet.

Make some scenery for your puppet show.

Make a daisy chain crown

The Queen has a special tea party every year in her garden – create a tea party for your toys/family

Science

Help the Queen to keep her favourite drink frozen.

Pour a small amount of drink into an ice cube tray (or into a small bag/container) put into the freezer until frozen.

Using different materials create a wrapping/container that will keep the ice cube cold when you take it out of the freezer.

Time how long it takes to melt – email your pics and results to school. Who will be the winner?

Can you think of a logical way to record your results?

Maths

Can you draw or make a crown that has a repeating pattern?

Continue the patterns on the Knights and castles pattern sheet

PE

Queen Elizabeth loves horse riding. Can you make a pretend horse out of a stick and invent a horse jumping course? Or you could use a hobby horse if you have one.

RE/PSHE

<https://www.youtube.com/watch?v=mQa-GseMSI4>

Watch the story of how David became King by defeating Goliath

Draw a picture of the story

Home Learning Y1/2

Theme:

Kings and Queens

Phonics

Read the 'Adding –er and –ing power point and then complete the 2 phonics worksheets

History/Geography

Look through the power point about Queen Elizabeth II. Create a fact file/information page about her.

Complete the History timeline of British Kings and Queens
