Read the e-book about dinosaurs.

Create a fact file about one of the dinosaurs using one of the fact file sheets. (Choose which ones you want before you print them off – there are lots to choose from!)

You might like to create a non-fiction (fact) book about lots of different kinds of dinosaurs.

Write an acrostic poem about dinosaurs using the template – each line has to start with the given letter. Don't forget to use your adjectives. Eg: D – Dinosaurs stomp about among the tall trees.
