

## **English**

### **Reading**

Listen to this story about Little Miss Inventor

<https://www.youtube.com/watch?v=PX0nr00hiqY>

Talk about the story – Which invention did you like best? Why?

### **Writing**

Pretend you are an inventor. Draw a picture of one of your inventions and write some instructions about how it works.

Write a story about how Little Miss Inventor helps another Mr Men/Little Miss character with one of her inventions. Maybe Mr Bump needs something to stop him falling out of bed, or Little Miss Giggles has lost her giggles so needs a joke/tickle machine to make her laugh!

## **Art/DT**

- Design and make a chair for your teddy to sit in.
- Build a house out of lego or junk modelling.
- Make some paper aeroplanes – What design works best?
- Alexander Graham Bell invented the telephone. Can you make a telephone out of string and tins? Remember to keep the string tight.

## **Science**

Make a boat with a sail to float in your bath or paddling pool.

Investigate with different sizes of boats. You could change the shape of the hull or the size of the sail.

Which one floats the best?

You could record your results in your book

## **Home Learning Y1/2**

Theme:

**Inventors**

## **Maths**

Invent and make a maths game with question cards. Challenge yourself to use addition, subtraction, multiplication, doubles and halves.

## **PE**

Invent an obstacle course in the garden. Challenge your family to race against you!

## **RE/PSHE**

Show our value of generosity by designing and making cakes or biscuits for your family. Maybe you could use different icing designs for each person.

## **History/Geography**

Look at the information about Charles Macintosh – he invented waterproof coats.

Investigate materials to see which one is the best for making a new waterproof coat.

You could use the activity sheet to record your results or just draw your results in your book.

It is the 75<sup>th</sup> Anniversary of VE Day on Friday  
What is VE Day? – make some flags or bunting to decorate your house.

## **Phonics**

Using the tricky words from Phases 3, 4 and 5 make a game of snap, a bingo game or create a matching pairs game.

Have fun!
