

English

Song of the Week!

This week we are going to have a song of the week! We have chosen **This is Me** from the Greatest Showman.

<https://www.youtube.com/watch?v=CjxugyZCfuw>

Write an invitation to your family to come and join you at your home disco. Remember to include the date and time!

Have a go at writing your own song and perform it to your family.

Imagine you are going to host a music concert. Design a programme to tell everyone what will be happening. Try to write the times and use capital letters for names.

Science

Find some musical instruments around your home (or one you have made). Can you predict which one of these will make the loudest noise? Experiment to see if you are right!

Have a go at the musical jars science experiment and see if you can make your own music.

Maths

Listen to some counting songs like the following <https://www.youtube.com/watch?v=BMX8O0aGB0Q> and sign along with it. Count the number of beats in the song.

If you have a piano - how many keys does it have? What about strings on a guitar? Is this the same as a violin?

In music we use octave - this means 8 notes. What is an 8 sided shape called? Can you draw some?

Home Learning Theme: **Music!**

RE

In school we sing lots of hymns in worship. Have a go at learning one of your favourite ones. Can you make up some actions to teach us all? Send us a video of you performing it.

Art/DT

Can you find some recycling around your home to make a music instrument? Record yourself playing it and send it to us using the home learning email.

Use cuttings from a magazine or a newspaper to make a collage of a musical instrument.

Listen to a piece of music that inspires you. Draw, paint or colour a picture of the image that pops into your head when you listen to it. Where are you? What can you see? Who are you with?

Key Vocabulary

Create a glossary of words that you have used across all of the different learning tasks. A glossary is a list of words in alphabetical order with definitions.

Add this to the glossary you have been making each week.

PE

Find your favourite piece of music and get dancing. It can be any dance, any piece of music - just boogie! If you are having a disco, don't forget to invite your family!

Phonics

Use your Phonics' Phase booklet to keep your knowledge in tune! Don't forget those alien words!

History

Find a famous composer or musician and research their life. What are they famous for? Use all of the facts that you have created to make a poster all about the famous person.

Geography

Different countries around the world are famous for different types of music. Read through the powerpoint about the types of music and then unscramble the words.
