Book of the Week!

Our books of the week is going to be:

The High Street by Alice Melvin

Look out for your virtual learning link to join in with our book talk this week!

What shops are open in the local area? Go for a walk down the High Street making a list of opening times. Create a leaflet for your neighbours letting them know what shops are open and at what times.

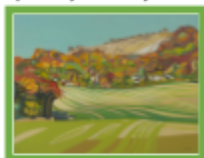

Get to know your neighbours - ask your neighbours some questions about how long they have lived in their house and what they think of the local area. Write up your interview and make a 'book' all about your road! You can ask your Mummy and Daddy those questions too!

Art / DT

Quick! You have two days to enter the 'Art in the Park 2020' competition to get your artwork displayed in the park! Please follow this link to download the form as they have extended the deadline to the end of June.

Anna Dillon is a landscape painter who has done a lovely painting of Whiteleaf Cross. See if you can do a painting or drawing of Whiteleaf Cross - you can use her painting to inspire you if you wish!

Science

What plants are in your local park or down your road? Use the plant identifier to see what plants there are! Write a list of them all.

Keep a record of the weather that is happening in this season. Can you create a table and write down the weather that happens each day for the week?

Home Learning Theme: **The Risboroughs!**

Key Vocabulary

Create a glossary of words that you have used across all of the different learning tasks. A glossary is a list of words in alphabetical order with definitions.

Add this to the glossary you have been making each week.

PE

When you go out for your evening walk, count your steps. How long does it take to walk around the block?

Maths

Use your directional language to create a map of how you get from your house to your chosen location. Your chosen location could be a shop, a post box, or even your friends house!

Which vehicles did you see when you were out walking? Write a tally chart to record your findings and then create a pictogram of the vehicles! Which is the most popular? Which is the least popular? Add up the total number.

RE

St Dunstan's is the local church in Monks Risborough and where we go for our services throughout the year. Write a fact file about the church. How old is it? Who looks after the church? Draw a picture of it.

Phonics

Use your Phonics' Phase booklet to keep your brain growing! Don't forget those alien words!

History

What is special about Monks Risborough and Princes Risborough? Which place is older, Monks Risborough or Princes Risborough? Where did the names come from? Use a safe search engine to research then write a fact file about them.

Geography

What is amazing about where you live? Do you love your locality? Look on Google maps to see your house from aerial view - try 'Street View' too to put the man in front of your house.
