

English

Poetry - Can you write an acrostic poem for the letters of the word rainbow?

Rainbow Fish - Listen to the story of Rainbow Fish on Youtube. Use the writing frame to write a review of the book.

Choose another rainbow animal such as a rainbow bird or butterfly and write a story about them.

Science

Can you grow your own rainbow using the instructions? Send us a picture of what happens!

We know leaves are green, but are they all the same shade of green? See how many different colour leaves you can collect from your garden, the park or on a walk with your family! What plant are they from?

Maths

There are 7 colours in the rainbow. How many ways can you make the number 7?

Choose a selection of different chalk colours and masking tape. Lay the tape out in strips on the path and colour in the shapes! How many shapes did you make? How many sides do they have? What is the name of the shape?

Home Learning Theme

Rainbows!!

Art / DT

Make a fruit or a healthy food platter containing as many colours of the rainbow as you can.

Complete the colour by numbers picture, develop your fine motor skills and then give it to someone you love!

Make your own Danish Hearts by looking at this picture! Draw the shapes first. Colour them in cut the strips and join them together.

RE

Joseph and His Amazing Technicolour Dreamcoat. Use the different story sequencing cards for your children to retell the story. Why not staple together to create a story booklet?

Phonics

Use your Phonics' Phase booklet to keep your knowledge as bright as a rainbow! Don't forget those alien words!

Geography

The UK flag is called the Union Jack. It contains 3 colours. What other flags can you draw with those colours? Which country's flag has the most colours?
