

English

This task is going to require your memory! Think about all topics you learned in year 5 and 6 at Monks Risborough School! Create a booklet with a page for each topic, explaining to next year's children what they have to look forward to!

Write a letter to your teacher at your new school next year. Tell them a little bit about you, what your favourite things are, what challenges you have faced being in your current year and what you would like to improve on for the next year. They would love to know all about you!

Art/DT

Design and create a yearbook for the Falcons class or Eagles class with all of your class members. Use your best portrait skills to draw a picture of each of them with their names underneath. You might even print some pictures you already have! You might choose to sew your book together.

Science

You have carried out so many different science experiments during your time at Monks Risborough! What were your top three?

Write a review of your top three experiments – describe what they were and what you found out!

Home Learning Y5/6 Theme: Our Year Book!

Maths

This year has been a very strange year. How many weeks have you now been out of school? How many days has it been? Can you work out how many hours, minutes or even seconds as an extra challenge? Use a calendar to help you.

Can you add on the weeks of the summer holidays? What does that take your totals to now? Share your answers on Google Classrooms so we can compare our results!

RE

In different religions there are different religious leaders. In our school we also have different leaders who guide us and support us. Who are the leaders in school who you are inspired by? Draw a picture of them and write why you feel inspired by them!

PE

Think of all the new skills you have learned this year and how you have improved. What would you like to try next year? Are there any new clubs or sports you're looking forward to trying at high school? Can you practise your skills during the summer holidays?

Geography

If you could go on holiday to anywhere in the world, where would you go? Think carefully about your choice and then write a description of the place with reasons for your choice. (*See the attached sheet)

History

Monks Risborough Primary school was first built in 1858. This was during the Victorian period of time. Look at the PowerPoint to find out about Victorian schools. Would you like school then? Why? Why not? Complete the challenge sheet or maybe set up your home learning experience to be Victorian for the day!
