Poetry

Pie Corbett is a writer, author and poet who has written more than two hundred books! In his poem 'When I Heard the Music' he used different pieces of music to inspire him to the 5 verses of the poem. Read his poem - it is attached for you! What are your favourite songs? Is there any music you like in any films you have watched? Choose a piece of music you like and write a poem in the style of Pie Corbett's! Check Google classrooms for additional resources to help you! Please share your poems on Google Classrooms, we would love to see them!

Science

Sound

It can be very expensive to learn a new instrument. Why don't you try to make your own before you buy one to make sure that you like it! Here is a link to a website which will help you to make an oboe out of a straw: <https://www.exploratorium.edu/snacks/straw-oboe> Write an explanation of how the sound is created.

Maths

Symmetry Challenge

What have the following got in common? A snowflake, a starfish and a butterfly. They all have symmetry! Symmetry creates patterns in art and music! Systematically explore the range of symmetric designs that can be created by shading whole squares of the grid attached - choose your level!

Rio Carnival - Masks

The Carnival in Rio de Janeiro is a festival held every year before Lent and considered the biggest carnival in the world with two million people per day on the streets! Everyone wears brightly coloured costumes and masks. Look at the attached document to see some of the fantastic masks people wear in the parade. Design your own mask for the next Rio Carnival! You can use the attached template or create your own.

Key Vocabulary

There are lots of latin words used to describe music. Have a go at researching these and see if you can find out what they mean.

For example *adagio* means to be played slowly.

Add these to your key vocabulary glossary!
