Literacy

Reading

Don't forget to keep reading your Bug Club books over the holidays

Writing

What are your favourite memories from Robins class? Draw pictures of your favourite memories and write about them.

Maybe you would like to make your memories into a memory book.

Write a letter to Miss Dell to tell her all about yourself. Ask an adult to send it in to the home learning email so that she can read it.

Expressive Arts & Design

Design and create a yearbook for the Robins with all of your class members.

Use your best portrait skills to draw a picture of each of them with their names underneath.

Look on the transition page and colour in the birthday balloon for Miss Dell – don't forget to bring it with you in September.

Understanding The World

Plant some seeds in the holidays and watch them grow – don't forget to water them!

Monks Risborough Primary school was first built in 1858. This was during the Victorian period of time. Look at the PowerPoint to find out about Victorian schools. Would you like school then? Why? Why not?
