

Literacy

Reading

Read the story Seren's seasons

Can you remember the names of the 4 seasons the 4 seasons?

Writing

Have a go at the Seren's Seasons sequencing activity

Watch the seasons video power point

What is your favourite season? Draw a picture and write about it.

Understanding The World

Which animals live in the hot and which in the cold? Complete the cut and stick animals sheet. Use the hot and cold animals word mat to help you.

Cut and stick the Summer and Winter items into the correct season.

Try the melt the ice science experiment – What melted the ice cube the quickest?

Maths

Number bonds to 10

Sing the 10 sleepy fingers number bonds to 10 song and watch how the fingers make the number bonds.

Use paint to make the ladybird finger print number bonds to 10 (or draw the dots with pens if you don't have paint)

Make 10 cars

Home Learning YR
Theme:

Hot and Cold

Expressive Arts & Design

Have a go at the Hot and Cold colouring activity

Create a picture for each of the seasons. You could use a different medium for each one.

Eg; painting, crayons, chalks, coloured pencils, collage, using natural items from the garden etc.

Make a deck chair and a shady umbrella for one of your toys to enjoy the sun.

Colour the weather colouring pages

Make a pinwheel windmill to blow in the wind

Personal, Social, Emotional Development

What clothes would you wear in the Summer? What would you wear in the Winter? Design an outfit you could wear in the Summer and one you could wear in the Winter.

Communication & Language

Have a go at the jump up and down song and dance that Miss Maw has taught us on the Worship button on the Home learning main page.

Physical Development

Try some of the sports challenges with Miss Brewer on the Home learning main page.

Phonics

Continue to practice your handwriting with the Handwriting Heroes –

letters **I, t, k, i and j** this week

https://www.youtube.com/watch?v=n4A23g_Jwhw

Keep practicing the phase 2 and 3 flash cards and tricky words.
