

Literacy

Reading

Play the dinosaurs Days of the week snap game. Practice reading/recognising the words – Can you write them?

Cut and stick the labels on to the dinosaur pictures.

Writing

Have a look at the dinosaur picture – What can you see? Write some sentences about it. Remember to use your phonics.

Understanding the World

<https://www.youtube.com/watch?v=ZM7Vsv86058>

Here is a simple, but fun, information film about dinosaurs (You could watch a little bit every day (5 mins) – or all at once (30 mins)

Draw some pictures of the dinosaurs you learned about and write some facts about them. Maybe you could make a dinosaur information book.

You could also ask an adult to help you read the dinosaur e-book to find some of your information.

Dinosaurs

Maths

Try the dinosaur addition and subtraction sheets

Challenge yourself to the dinosaur i-spy addition to 20 sheet (remember to count carefully)

Cut and stick the 2D shapes on to the build a shape dinosaur activity sheet

Physical Development

Take it in turns to play hide and seek with a dinosaur – Hide a model dinosaur or a picture of a dinosaur – ask someone to find it. Give them clues like nearly there, look higher, look lower, wrong direction.

Swap over and be the one to follow the directions and find the dinosaur that is hidden.

Expressive Arts & Design

Make your own dinosaurs out of salt dough – You could paint them when they are dry. (or out of playdough/plasticine/clay)

Create a dinosaur scene for the dinosaurs to play in – This could be in the garden or in a box / on a play mat.

Colour the dinosaur pictures.
Try the dinosaur dot to dot sheets

Make some dinosaur biscuits.

Make a dinosaur mask

Personal, Social, Emotional Development

Some dinosaurs have big, sharp, teeth – Make yourself a teeth cleaning chart. Every time you clean your teeth properly you can draw a dinosaur on the chart.

Communication & Language
