

Literacy

Reading

Read the story 'Don't hog the hedge'

- What kind of animal is Hattie?
- Where did Hattie want to sleep?
- What did all the other animals want to do?
- Where did the animals sleep at the end of the story?
- How did Hattie feel at the end of the story?

Writing

Find out some information about one of the animals in the story. Make an information page about it using drawing and writing.

Can you make up a story about an animal?

Expressive Arts & Design

Make an animal puppet out of an old sock. You could put on a puppet show for your family.

Try the colour by numbers picture – look carefully at the numbers!

Spring is here - Make some egg carton flowers

Make some hedgehog biscuits

Understanding The World

Find out which animals hibernate.

Use the cut and stick sheet to record your findings.

Home Learning YR
Theme:

The Great Outdoors

Personal, Social, Emotional Development

Make a poster to encourage people to pick up litter and keep our countryside clean and safe for animals.

Communication & Language

Sing the song 5 little speckled frogs. You could make some frogs to act out the song whilst you are singing.

https://www.youtube.com/watch?v=WSC-gHBU_d0

Maths

Colour the addition to 10 pictures. Use objects to help you work these out (like last week) Or you could use your fingers!

Compare the length of things in your garden – use the language longer than/taller than, shorter than.

If you have one, use a ruler/tape measure to measure things in your garden.

Physical Development

Make a bug hotel for your garden. It could be a tiny one in a box if you don't have much space.

Make an obstacle course. Remember you can go over, under, through and round things. Challenge other people in your family to do it.

Phonics

Play the Phase 2 and 3 tricky words fishing game. Make your fish colourful. You could add in other words if you want a challenge.

Use the Phase 2 and the Phase 3 phonics home learning idea sheets to practice the sounds you have learned.
